## Apology

We apologise for the change of the venue for the Form 2 camp from Hippo pools in Shamva to Glencity in Ruwa. This was necessitated by the closure of Hippo pools. Everything else remains the same.

# Agriculture

Education with production, working collaboratively with the school ancillary staff, the agriculture department and students have successfully implemented the national thrust on food security and self-reliance. The quality products speak volumes of their sterling effort.

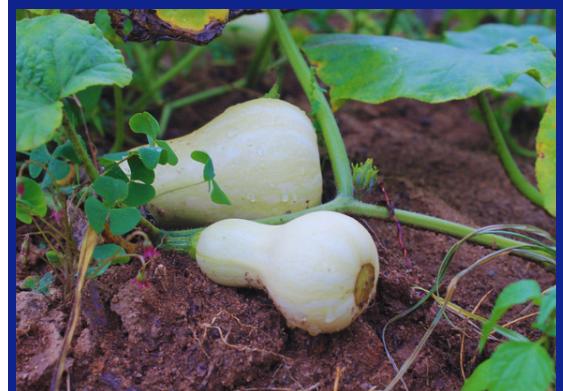

Maize SC555 & Irish Potatoes

Cucumbers

Beans

Butternuts

Covo

*"Agriculture at school is more than just a subject; it's a hands-on experience that cultivates knowledge, responsibility, and a connection to the environment. By engaging in agricultural practices, students learn the value of hard work, sustainability, and innovation.*

*Every seed sown and plant nurtured in the school garden becomes a lesson in patience, growth, and the cycles of nature, preparing young minds for a future where they can make a positive impact on the world."*

# CLUBS

## ROBOTICS CLUB

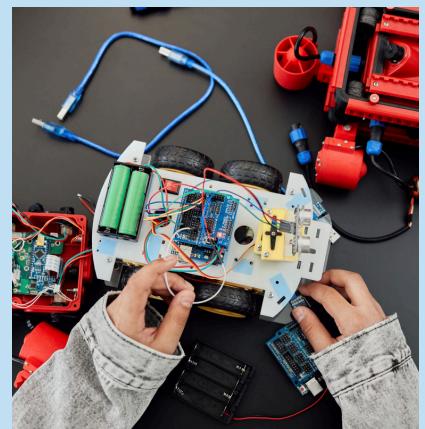

Milestone Robotics Team Italy bound to defend the World title from the 17th to the 24th of February 2025

The club has acquired a characteristic of passion, teamwork and innovation, an attribute of the typical 21st century student. Stay tuned for updates on their special journey!

21 Milestone ZimScience Fair,  
Space exploration and  
Robotics Club fair bound.

Amazing Brightest minds in  
the country!

## DEBATE CLUB

Milestone debating club goes virtual. The club will participate in the Yale University Africa Regional Moot Court debate penciled for the 8th and 9th of March organised by the Ideas Matter Consultancy

**Milestone Moot Court Teams**

1. **Giovanni & Tatenda (Form 2)**
2. **Tafadzwa & Matthew (Form 2)**

*Giovanni Nyatsambo, Tatenda Paradza, Tafadzwa Mwagura & Matthew Chinamasa*

## MILESTONE METEOROLOGICAL SOCIETY

Students at the weather station recording weather conditions in professional way. Their predictive accuracy is just as good as that offered by the Meteorological Services Department.

*Giovanni, Ryan, Tafadzwa, Tashinda & Bryan*

On the 5th of March 2025, the club is hosting a revolutionary and entertaining Talent Show. The admission fee is \$5 and is compulsory. Payment is to be done in cash when students return from the mid term break to the club patrons.

## LEO CLUB

As the milestone LEO club, we are hosting a color run for the school. Each student has to pay a **\$5 entry fee**. Along with this fee the students are supposed to have a plain **white t-shirt** that will be worn during the event.

The purpose of this event other than acting as a great form of entertainment through exercise is to raise funding for a few charity programs we would want to partake in such as

- Running a scholarship program that will help a few students in the neighboring schools who are in need of financial aid in order to continue with their studies from form 1 till form 6.
- Raising enough money for the renovations of the Jairos Jiri Mukuwapasi children's center namely the kitchens and the bathrooms.
- Buying new kitchen utensils for the Jairos Jiri Mukuwapasi Children's Center.

## Chaplaincy Desk

**1 Timothy 4:12:** *Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity*

## Discipline

We have witnessed some form of transformation in as far as disciplinary issues are concerned. We would like to thank parents/guardians for your input in as far as our students' discipline and adherence to school rules and regulations are concerned.

**With warm regards and blessings**
