Consultation

Thank you to all our esteemed parents and guardians who have attended our consultation day. We appreciate you taking time off your busy schedules to discuss your child's progress. Your engagement and support are vital in ensuring the best possible outcomes for our learners.

We hope you will find it helpful. This is also helpful to us because we will be able to see what everyone is happy with and what aspects we need to continue to work on. We absolutely take on board that interaction in order to meet your set desires.

It is our intention that Milestone Preparatory school becomes the pre-eminent institution in terms of academic education both ZIMSEC and Cambridge, culture, music, Arts and spiritual growth.

We also want to remind each other the fact that Primary school should be a fun place and that a Milestone Preparatory school leaver should take with him/ her happy memories and a solid foundation of future assignments in life.

Communication

Please remember our doors are always open, should you wish to discuss or communicate via the digital platforms or calls any matter of concern, we encourage you to do so through the office of the school head.

IMPORTANT NOTICES

Clothing Items

Naming clothing items and other items (i.e. textbooks, sports equipment) brought to school by your children is very important. We noticed how many of these items are un-named. Please ensure you clearly put nametags on your child's items so that they can be easily identified.

Put nametags not pencil or ink marks. Please adhere to our prescribed clothing list – any extra clothing items will be confiscated and released at the end of the term. **Please note- no fancy clothing items or hairstyles.**

Health Issues

Let us ensure that our learners are appropriately and adequately clothed during this winter. Let us make sure that they also have proper medication for coughs, colds and flues.
