## **Beyond the Ordinary: “Our Journey of Leadership and Creativity”**

Milestone Preparatory school is very pleased to share with you a wide range of experiences that we encountered in Term one, 2025. As a school of choice, we have the social responsibility of creating a generation of well-balanced and socially responsible citizens. We strive to create thinkers and not tabula rasas, leaders and not followers, creators and not plagiarists, producers and not consumers.

## HEAD'S DESK

We have come to the end of Term one of the academic year, 2025. It has been a productive and exciting term! Our learners have settled well into the routines of our school system and we are proud of their achievements.

It is very important that we acknowledge and say a big thank you to you our dearest parents and guardians for the immeasurable support you gave to our beautiful school. To the staff, learners and our stakeholders, thank you very much, because your support makes us tick.

***“Encouragement is the most powerful agent of motivation”.***

## ACADEMIC ACHIEVEMENTS

Our learners have shown significant improvement in all their academic performances with many outstanding results in their daily, weekly, monthly and termly assessments in both the ZIMSEC and Cambridge curriculum.

Let us as partners in the education of the learners play our role to help them realise their cherished dreams. As a school, we are committed to provide quality education, promote intellectual, social and cultural vivacity among all learners under our care.

# END OF TERM ONE- PROGRESS REPORTS

I hope that by the time you get this newsletter you would have had sight of your child's progress report.

We encourage you as usual, to sit with your child and scrutinize the report. Motivate/ encourage them to keep on working hard and ensure that they set aside time to study at home- at least two hours daily.

## TEXTBOOKS

Most parents have ensured that their children have the requisite textbooks, only a few are yet to own the essential textbooks. As a school, we discourage our learners from sharing textbooks.

## CLUBS

Our learners have actively participated in various clubs developing their skills and interests outside the classroom. Skills development has a direct effect on learners/ children's overall development and on the adult they will become. That is why understanding the need to invest in very young children is extremely important to maximise their future adult life.

## Robotics

Our Robotics club has now spread its wings globally and we pin our hopes on the valuable support you ceaselessly render to us. They will be going to Singapore and or Luxembourg for a global competition representing Africa this year in September or November.

# National Institute of Allied Arts

This year we have added another milestone in the NIAA family. Our choral team made us proud by scooping prizes at the recently held competitions at Peterhouse Marondera.

Next term we will be participating in the Literary festival. Entry fees are pegged at \$10,00 per learner. You never know the furthest our learners can go, unless you expose them to a wide variety of exploration.

## Chess Club

We will be engaging several schools in the chess competitions. This is a mind game, you will be surprised at how far our learners can go.

# Debate & Public Speaking

The club instills confidence, critical thinking and airing views with peers.

## GYMNASTICS

The ECDs are already a step ahead and our desire is to also introduce it at all levels. Physical exercises keep the doctor away and creativity is the beauty of gymnastics.

## CAREER DAY

We have heard our learners talking about their dreams, their aspirations and desires. On 14 March 2025 we witnessed our learners dreaming. They were dreaming in colour. Thank you for ensuring that they dreamt in their dream profession attires.

To parents who graced the occasion, a big thank you. What is only left is for us parents, guardians and school to help their dreams come true.

# SPORTS DESK

Milestone Preparatory school athletes have participated in various interschool competitions where the learners showcased their talents. The athletes certainly want to perform at their best and definitely aim to prepare in the most skillful way possible to play with pride and passion and to win if they can but not to seek to win at all cost.

Our learners usually perform at their best when they are supported and encouraged but we also need to be gracious both in victory and in defeat – hard though.

## UPCOMING EVENTS

Make sure your children are properly provided for in terms of uniforms, stationery, and sports equipment.

The school has solarized and it's our fervent prayer that you as parents and guardians own up your termly payments for this noble project. You can choose a once off payment or religiously abide by the termly payments. ZESA outages are now a thing of the past.

# Thank You

We would like to take this opportunity to thank you all for accompanying our learners to all outings as well as attending events taking place at our beautiful school. Together we will go far! Your moral, spiritual, material support, emotional, and financial support will make us great.

The school is indebted to your unwavering support. Keep praying and thanking God with both the gift of life and the families we have.  
Warm regards and stay blessed.
