Mid-Term Recap

The first half of Term Three has simply flown by! Praise should be given to the almighty God. Amen.

I am sure that for you, as with all of us, the half-term break is a welcome opportunity to rest and enjoy valuable family time.

I would like to offer our collective appreciation once again for the support you have given to your child, school and the staff in the current term. As a school we continue to place the learners at the centre of every decision and action we take. It is of paramount importance for home and school to work together harmoniously for the development of our little ones and our beautiful school.

SPEECH AND PRIZE GIVING DAY

Thank you for gracing our Speech and Prize Giving Day, where we celebrated the success achieved by our ever enthusiastic learners across the curriculum.

The fact that you came from far and wide, in large numbers, is clear testimony that the welfare of our learners at Milestone Preparatory school is dear to your hearts.

Snapshots from our 2025 Speech and Prize Giving Day

"It takes a village to raise a child, and a community to celebrate their success." — Unknown

ACADEMICS

I am delighted to inform you that our learners continue to raise the Milestone Preparatory school academic flag high. Our learners do both ZIMSEC and Cambridge curriculum.

ZIMSEC EXAMINATIONS

The ZIMSEC grade seven examinations progressed smoothly and we await colourful results at the end of November 2025.

CAMBRIDGE CHECKPOINT EXAMINATIONS

The pioneer group of our class of 2025 wrote their checkpoint examinations from the 7th to the 9th of October 2025 and everything went ahead as scheduled.

We would like to thank you once more for the support we got from you during this crucial time of examinations. We hope for the best.

Did You Know?

Did you Know?—Drawing, storytelling, and imaginative play help develop problem-solving skills and emotional resilience in young learners.

GRADE 7 LEAVERS' DINNER

Grade 7 Class of 2025

The class of 2025 got a resounding send off on Sunday 12 October 2025. They were treated to a farewell party prior to their departure at a luxurious resort, **Mountain Lakes**, on Saturday 11 October 2025. We wish them well in their future endeavours we hope they will join our college for continuity's sake since they are familiar with the tone of this unique school.

CHAPLAINCY

The learners need spiritual growth hence the school through the chaplaincy department impart the understanding and fear of God in all our learners. This department ensures that all learners at the school get nutritious daily bread for social, emotional and spiritual growth in order to gain favour with both man and God.

CLUBS & CO-CURRICULAR HIGHLIGHTS

Our very own **BENNIAH SAKUPWANYA** –Grade four made us proud by coming second in the spelling competition. He won a trophy and a certificate for this great effort. He will be travelling to Kigali, Rwanda in December 2025 for the continental spelling competition

SPELLING BEE

Our Spelling bee club travelled to Lesotho, Maseru for a regional spelling competition from the 24th to the 28th of September 2025. The competitors were drawn from twenty schools in the SADC region.

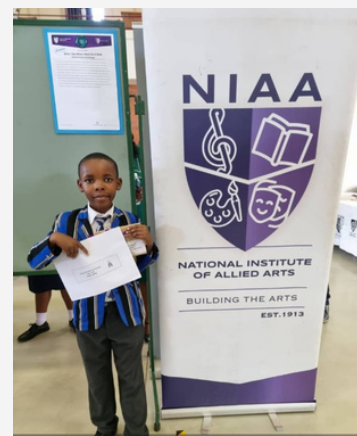

Benniah (pictured right), proudly holding his accolade

ALLIED ARTS

The **National Institute of Allied Arts** invites schools in Zimbabwe to take part in its annual festivals in literal, choral, art and drama. This year we participated in two of these festivals choral and literal. In choral our team came tops.

In the literal festival, one of our own **SEAN DUBE** a Grade three learner was adjudged the best Grade three prose writer. His effort was rewarded with an Honours, the highest grade in that category.

The parents and the teacher witnessed the award giving ceremony on Saturday 11th October 2025 at Hartmann House Hall in Harare. SEAN raised the Milestone flag very high.

Sean Dube

CO-CURRICULAR HIGHLIGHTS

SWIMMING

Our vibrant **ECD centre** is moving with the changing times. We have now introduced swimming to the little one. They are enjoying themselves playing in water and drills in gymnastics. Gymnastics will be introduced to the upper grades in the next term.

TRIP TO THE AIRPORT

Our infants' department (ECD to Grade Two) had an educational trip to Robert Gabriel Mugabe International Airport on the 3rd of October 2025. One of the days they will either fly the aeroplane or fly in the aeroplane. There is no substitute to exposure, they see, feel, smell and hear ... I believe they told you stories about this visit to the airport.

UPCOMING EVENTS

10 Nov	●	End of year examinations
23 Nov	●	Tree planting day
25 Nov	●	Carols by candle light
30 Nov	●	School closes

REMINDERS

- Parents are requested to buy a Christmas hat and a Christmas candle for their children when they come back to school on Tuesday 21 October 2025
- The Preparatory school has solarized. The school is reminding you our dear parents to honour your financial obligation towards this noble project. Some have already done so hence the need to keep on reminding one another.

Warm Regards,

**Mr. Saunyama
Head (Milestone Preparatory)**
